|              | SECRET  |
|              | THIS IS AN ENCLOSURE TO SO DB   |
|              | A) NAVY SUSAK   |
|              | Faciling port 50X1-HUN  |
|              | Traffic in the fuelling port is heavy. There is always a boat sometimes |
|              | being unloaded and another at the dock waiting its turn.                |
|              | Most of the tankers are Norwegian.                                      |
|              | B) ECONOMIC INFORMATION   |
|              | FCOD  |
|              | Reduced prices of foodstuffs FIUME                                      |
|              | Some foodstuffs (flour, pastes, oil and XXXXX fats) were reduced        |
| 1            | 10 to 30 % 50X1-HUM   |
|              | Price of wine   |
|              | The wine which peasants must take to public State collection center     |
|              | is paid for there at the rate of $8$ dinars per liter. The Zadruge      |
|              | (Cooperative) will retail it at 120 dinars per liter 50X1-HUN           |
|              | C) POLITICAL INBORMATION  |
|              | PROPAGANDA MOVIES PRODUCEDY IN OYUGOSLAVIA FIUME                        |
|              | Two Yugoslavefilms have been shown in Fiume movie theatres:             |
|              | "Crveni Cjejet" (Red Flower) and "Slavica" (The Partisan Heroine?)      |
|              | Both films extol the efforts of the Yugoslav partisans in the           |
|              | war against the Germans and Italians. The film Slavica, in              |
|              | particular, inculcates hatred of the Italians.                          |
|              | In July and Eugust scenes from a film which will be entitled            |
|              | "Trieste" were shown in Fiume. The subject will be the "liberation of   |
|              | Trieste"through Tito's partisans.                                       |

|              | Premilitary Instruction   |
|              | Pre ilitary instruction for students begins in the upper secondary      |
|              | -1-   |

## U. S. OFFICIALS ONLY

II, S. OFFICIALS ONLY hours

schools. Separate classes are held/3 ximex/a week for boys and girls.

The teachers are usually officers of partisan groups.

The program includes:

- the differences between a people's democratic army and the armies of capitalistic States
- general information on the Armed Forces
- names of mauser rifle parts and information on its use
- elementary information on field fortification
- closed order drills
